

RABIAS : First meeting of bioinformaticians and system administrators in West Africa

Time	Activities	Speakers	Institute	Host
15 december 2025				
8:00-9:00 am	Welcome	Organizing Committee		
9:00-10:00 am	Opening Ceremony	Prof. Justin Pita	Executive Director of Central and West African Virus Epidemiology (WAVE)	Marcelle Legret
		Fabrice Courtin	Representative of the French Research Institute for Sustainable Development (IRD) in Ivory Coast	
		Prof. Zié Ballo	President of Université Félix Houphouët Boigny (UFHB)	
10:00-10:30 am	Pause photo and coffe break	Organizing Committee		
10:30-11:30 am	Experience Sharing Seminar : Networks in Africa			Ezechiel Tibiri
	West Africa's Contribution to Global Bioinformatics	Awe Olaitan	African Society for Bioinformatics and Computational Biology (ASBCB)	
	Genomic Surveillance and Bioinformatics Capacity Building: Lessons from Afroscreen and CERFIG in Guinea	Thibaut Armel Gnimadi (on-line)	Guinea Infectious Diseases Research and Training Center (CERFIG)	
11:30 -12:30 am	Experience Sharing on West Africa			Christine Tranchant
	Bioinformatics Capacity Building in West Africa	Fidèle Tiendrebeogo	Central and West African Virus Epidemiology (WAVE)	
12:30-1:30 pm	Lunch	Organizing Committee		
1:30-3:00 pm	Experience Sharing on France and Europe	Jacques Van Helden	IFB (French Bioinformatics Institute) and European Elixir Node	Fidèle Tiendrebeogo
	Federation of french bioinformatic community and link with European node	Hèlene Chiapello	IFB (French Bioinformatics Institute)	
	IFB's training strategy and capacity building	Sandra Dérozier	SFBI (French Bioinformatics society)	
	Presentation of the French Bioinformatics Society and its national and international network	Anna-Sophie Fiston-Lavier	Bioinformatics master of Montpellier University	
	Educational innovation and research integration: The strengths of Montpellier's bioinformatics master's program			
3:00-3:30 pm	Coffee Break	Organizing Committee		
3:30-4:30 pm	Infrastructure Sharing			Ndomassi Tando
	Administration system challenges in West Africa	Paul Kouadio	Representing a west African system administrators network	
	Cluster IFB & Cloud	Julien Seiler & Gildas Le Corguillé	IFB (French Bioinformatics Institute)	
4:30-5:30 pm	Open discussion	Participants and intervenants	Participants and intervenants	Romaric Nanema

16 december 2025				
8:30-9:00 am	Scientific Seminar : Bioinformatics Analysis in African Research “One Health” Optimising tools for African genomics	Palwendé Romuald Boua	Central and West African Virus Epidemiology (WAVE)	Jacques Van Helden
9:00-9:30 am	Experience Sharing : profesionnal network The INRAE and CNRS professional networks in bioinformatics	Hèlene Chiapello and Sandra Dérozier	National Research Institute for Agriculture, Food and Environment (INRAe)	Anna-Sophie Fiston-Lavier
9:30-10:00 am	Coffee Break	Organizing Committee		
10:00 am -1:00 pm	Workshops: challenges related to sequencing platforms, bioinformatics, and high-performance computing (HPC)	Participants		
1:00-2:30 pm	Lunch	Organizing Committee		
2:30-3:30 pm	Student scientific project session From microbiome to pangenome: a journey into bioinformatics Bioinformatics and parasite resistance: scientific developments following the CIBiG Building sequencing capacities in context of repeated outbreaks events and limited ressources : DRC experience	Cyrielle Ndougonna Emilie Badoum Eddy Lusamaki (on-line)	Feedback from students and researchers who completed the CIBiG and Afroscreen programs	Christine Tranchant
3:30-4:00 pm	Coffee Break	Organizing Committee		
4:00-6:30 pm	Workshop restitution	Participants and intervenants		
7:00-8:30 pm	Cocktail	Organizing Committee		

17 december 2025				
9:00-10:00 am	Experience Sharing Seminar : Networks in Africa Building Bioinformatics Capacity in Africa, experiences from H3ABioNet	Nicola Mulder (on-line)	Pan African Bioinformatics Network (H3ABioNet)	Romuald Boua
10:00-10:30 am	Coffee Break	Organizing Committee		
10h30-12:00 m	Roadmap to structure a potential network Definition of future actions, call for contributions	Participants and intervenants		Nazaire Kouassi
12:00-12:30		Fidèle Tiendrebeogo Julie Orjuela and Ndomassi Tando Justin Pita	Central and West African Virus Epidemiology (WAVE) Organizing Committee from IRD Executive Director of Central and West African Virus Epidemiology (WAVE)	
12:30-1:30 pm	Lunch and departure	Organizing Committee
